

*"If the Son sets you free, you will be free indeed" (John 8:36).*

We all enjoy our freedoms. The month of July is most notable for the 4<sup>th</sup>. It is a time that we, as Americans, celebrate our freedom as a country. We do it in style by shooting fireworks, spending time with friends and family, playing in the pool, and cooking out. As Americans, we all enjoy freedom. We like our freedom of speech, the right to bear arms, the freedom to worship, and many more. We live in a free nation. I am thankful for our freedom and the men and women who made that possible. However, I do not think we can observe this holiday or this month without thinking about the greatest freedom that one can experience: freedom from sin. Jesus died on the cross for our sins so that we may be set free from the bondage and slavery that sin has on our lives. While the freedom that we have in our country is great, that is not what gets us to heaven. Jesus said that if the Son sets you free, you will be free. Are you free from sin?

In Him,  
Bro. Justin Anderson

*Summer is Here!*

*Happy July 4<sup>th</sup>, celebrating our country's Independence Day is a fun and exciting day of the year! We are so thankful for the freedoms that we have. The most important one is the freedom to worship Our Lord and Savior!*

*We will have some more TNT's this summer, and in case you're not familiar with that term, Tuesday/Thursday Night together. July 9<sup>th</sup> will be the one for the children, and we will be going to Covington together! June 11 during the day for the Youth we would love to make our annual run down the Okatoma, check their website for prices <https://okatoma.com/>. On nights we will meet at church at 5:30. The float trip will leave church for 8am that Thursday. We will need some parents to go with us. More TNT's in July to come!*

*Join us on Wednesday nights for Bible Study at 6:30! Youth in the cab, and children in the children's building. Invite a friend to join you! Luke 5: 17-20 reminds us of the influence we can have on our friends! In an article I read last week, 88% of people polled said that being invited by a friend was how they got involved in church. It also showed a large percentage to their profession of faith.*
